

Asserson

With offices in the UK, Israel and the US, we specialise in serving Israeli, UK and international clients conducting business under English law.

Our largest office is located in the heart of Tel Aviv's business district, and our team comprises more than 15 partners and 75 lawyers who made Israel our home, by making Aliyah.

Our team have worked at the highest levels of world-class law firms and global companies. With this wealth of end-to-end experience, we offer high quality, flexible and personal services at fair and transparent prices.

We are the go-to English law firm in Israel.
